## Thomas Wellauer

Chairman of the Board, SIX

### Digital Assets - Mass Market or Mass Illusion

Thomas Wellauer is Chairman of SIX Group which operates the Swiss stock exchange and the infrastructure of the Swiss financial center.

He started his career as a senior partner at McKinsey. In 1997, he was named CEO of Winterthur Insurance, which was later acquired by Credit Suisse. At Credit Suisse, he was a member of the group executive board with responsibility for the insurance, retail banking and private banking businesses. After three years at Clariant where he headed the global turnaround project, he joined Novartis as head of corporate affairs and member of its group executive committee. From 2010 to 2019, he was group chief operating officer of Swiss Re.

He currently also serves on the supervisory board of Aegon N.V. having been a member of the boards of Munich Re and Syngenta before. He also is Chairman of the University Hospital Zurich Foundation and Chairman of the International Chamber of Commerce Switzerland. Thomas holds a Ph.D. in chemical engineering and a masters degree in business economics. Besides his business interests, Thomas is a passionate traveler.
