Greg Béhar

CEO of Nestlé Health Science

May 22, 2023, 11:30 a.m. - 2:00 p.m.

The Future of Nutrition

Greg Behar is the CEO of Nestlé Health Science, a member of the Nestlé Executive Board and a passionate believer in the power of nutrition to support health.

Greg joined Nestlé Health Science in 2014 and has guided the company to become a global leader in the science of nutrition. His dedication to ensuring that consumers and patients can enjoy their highest quality of life fuels his continual drive to provide the most innovative and effective nutrition-based solutions.

With more than 30 years of international experience and roles in seven countries, Greg brings a truly global approach to Nestlé Health Science's vision. Prior to joining Nestlé Health Science, Greg was CEO of Boehringer Ingelheim Pharmaceuticals USA, as well as holding a regional leadership position. Greg also worked at Novartis in general management roles in Spain and the European region. He currently serves on the boards of Sonova AG, Seres Therapeutics, and of Amazentis SA.

Greg earned an MBA from INSEAD, a Masters in Engineering from the Institute of Technology of Switzerland (Ecole Polytechnique Fédérale de Lausanne or EPFL) and a BS in Mechanical Engineering from UCLA. A current Swiss national champion swimmer, Greg loves sports as a way of life, is married and has three wonderful children.
