Swiss-American Business Relationship

Facts

- USA is the 2nd largest export market for Swiss goods - with the fastest growth
- Switzerland is a large and fast growing market for US exports
- Large and fast-growing foreign direct investments in both directions - doubling in the last 10 years

Issues

- Lack of information and frequent misunderstandings in economic matters
- Negative views regarding the US in Swiss media, Swiss politics and Swiss people
- Swiss participation in future transatlantic trade negotiations unclear
- Open issues in taxation (esp. regarding anti-base erosion matters, withholding and estate taxes)

What we can do for you

- Inform all relevant players about great business relationship
- Help avoid larger misunderstandings and misrepresentation
- Push to solve bilateral issues

Multinational Companies based in Switzerland

Facts

- In Switzerland, foreign multinationals (14% of GDP) constitute a larger sector than financial services
- Swiss multinationals represent 22% of GDP and are crucial for the global competitiveness and innovation strength of Switzerland

Issues

- Business Location Switzerland is losing attractiveness for multinationals due to open issues such as:
 - Swiss corporate Tax Reform
 - Unclear policies on immigration of highly qualified workforce
 - Challenging relationship with European Union
 - Future of bilateral agreements
 - And many more

What we can do for you

- Inform policy makers, enablers and media on the importance of multinationals
- Develop new solutions to key issues
- Lobby in favor of multinationals against strongly entrenched domestic interests

Sergio P. Ermotti (Group CEO UBS)
Chairman, Swiss-American Chamber of Commerce

"Swiss Amcham plays a key role in promoting the Swiss-US relationship and is a strong advocate of all multinational companies based in Switzerland. I am proud to chair this valuable organization and contribute to a better understanding between Switzerland and the US."

The Honorable Edward T. McMullen Jr.
Ambassador of the United States of America to Switzerland and Liechtenstein

"The Swiss AmCham is an indispensable partner in strengthening trade and investment between the United States and Switzerland. I am proud to work with the Amcham and its members to reach new levels of shared prosperity in our economic relationship."

The Honorable Martin Dahinden
Swiss Ambassador to the United States of America

"Swiss Amcham is a great advocate of the important Swiss-US business relationship. It leads the campaign to present the US market what it is: The New Emerging Market for Swiss Companies."

State Secretary Gabrielle Ineichen-Fleisch
State Secretariat for Economic Affairs (seco)

"Swiss Amcham plays a leading role in representing the interests of the Swiss-US business community, addresses key issues and contributes thereby to further strengthen our very significant trade and investment ties."
